Eternity: Outside the Confines of Linier Time -Does Not Refer to a Long Time -Does Not Refer to the Extended Future	
Review of Prophetic Ministry (Deut. 18:9-22): -Prophetic Insight is the Ministry of the Holy Spirit -Primarily Concerns the Will of God for His People -Foretelling is Primarily for Divine Verification -"Prophets" Represent God in an Intimate Way -Direct Representation Requires Absolute Accountability	
Review of Prophetic Ministry (1 Pet. 1:16-21): -Prophecy is a Word from God -Real Prophecy is as Authoritative as Scripture -Means By Which Scripture is "God Breathed" -Held to the Same Standard -Cannot Deviate or Contradict Scripture	
General Prophetic Pattern: -God Identifies Himself (Provides a Title) -Shares a Related Part of Israel's Past/Culture -Offers Instruction Regarding Present -Provides a Warning or Forecast of the Future	
Prophetic Communication -Poetic and Full of Symbolic Imagery -Figures of Speech (Simile, Metaphor, Pun, Personification) -Are Not Written with Linier Time in Mind (Patterns) -Wording is Precise	
Looking for Prophetic Meaning (Hos. 11:1-12):  -Meaning for Hosea's Immediate Audience (Present)?  -What is God's Will for that Audience?  -What Figures of Speech Does Hosea Use?  -What Does God Say to Israel's Immediate Future?  -What Does God Imply for Israel's Far Future?  -Where Do You See Christ (Either 1st or 2nd Coming)?
